Hi Debra. For today.....

- Just spoke briefly with Shanta. Not planning to attend the aldicarb meeting as you and Shanta will be there.
- Sending notes to David Gardner and Virna letting them know that Marion is out of the office and they will not be having their Generals today....they can follow-up accordingly.....
- Check-in with Briana this morning.
- Brief check-in with David D. this morning and then a 1-hour meeting with David later this afternoon to go over non-PRIA label amendments. I am going to send along an email to you that I sent to David D. earlier this morning. We both know that it can be overwhelming to start a regulatory job and David seems to be doing well and is good with detail work. So, lots will be learned over. I have mentioned the clean v. highlighted label use parameters to David, so he is aware of how they are used. I am using our meeting this morning to walk thru my email back to him in an effort to assure there is a clearer understanding of when and how a highlighted label can be used..... I
- Call with you and Forrest this afternoon – Ortho Trap
- I have six non-PRIA secondaries and a few non-PRIAs I need to do myself.
- Naturally, we have not heard a word from my very dear friend of 30 years, Tom. We will see how that goes.....

Talk to you later.

Thanks.

Mike
